Participation Guideline

1. Official Languages

The official language of ICACEH 2026 is English. All presentations, including Q&A sessions, must be delivered in English.

2. Guideline for Participants

2.1. Conference Venue and Time:

- **Location:** College of Engineering, National University of Kaohsiung, Taiwan (No. 700, Kaohsiung University Rd., Nanzih District, Kaohsiung City 811, Taiwan)

- **Time Zone:** Conference schedules are **listed** in Local Standard Time (GMT+08:00).

2.2. Conference Kit:

- A conference kit, containing the final program and name badge, will be provided to participants during check-in at the Registration/Information Desk.

2.3. Lunch Time:

- Lunch will be provided from 12:00- 12:20 p.m. on December 4th, 2026 (GMT+08:00).

2.4. Banquet Time:

- The banquet entry time is from 18:00 to 18:10 on December 4th, 2026 (GMT+08:00).

3. Guidelines for Presenters

3.1. Paper Sequence:

- Presenters and session chairs are required to adhere to the paper sequence as outlined in the Final Program. This ensures that participants can switch between sessions without missing any papers of interest.

3.2. Presentation Time:

- **Oral Presenters:** Each oral presenter is allocated 15 minutes: 12 minutes for the presentation and 3 minutes for discussion.
- **Poster Presenters:** Each poster presenter is allocated 60 minutes.
- **Important Note:** Any content involving political statements, territorial claims, national symbols, or other sensitive issues is strictly prohibited in all presentations.

3.3. Presentation Language:

- All ICACEH 2026 papers must be presented in English.

3.4. Equipment:

- Notebook PCs and LCD projectors will be available in every session room. Please note that there will be no Internet connection or email login services. Presenters are requested to prepare their presentation files in MS PowerPoint format on a flash drive and upload the files to the PC in the session room before the session begins.

3.5. Special Requests:

- For any special requests, please contact the Conference Secretary Desk, session chairs, or any session aids.

Paper Presentation Guideline

1. Enrollment at the Conference Reception Desk:

- Participants must enroll at the registration counter with only the first paper ID. The second paper ID does not need to be enrolled at the counter.

2. On-Site Oral Paper Presentation:

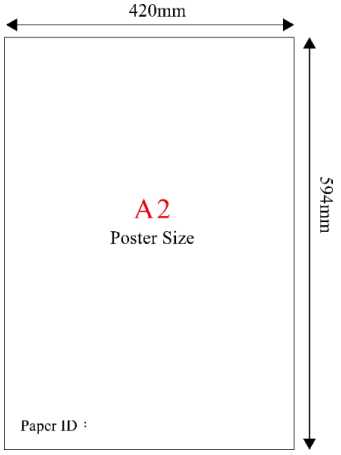
- Each paper is allocated 15 minutes for presentation, including discussion time. A maximum of 12 slides for the presentation is recommended. Presentation files should be saved on a flash drive and brought to the conference before the sessions begin.
- **Important Note:** Any content involving political statements, territorial claims, national symbols, or other sensitive issues is strictly prohibited in all presentations.

3. Online Oral Paper Presentation via Zoom Meetings (Remote):

- Each paper is allocated 15 minutes for presentation, including discussion time. A maximum of 12 slides for the presentation is recommended. Online oral presentations should be conducted remotely via Zoom Meetings and Google Meet. Online presenters must change their display name to "*Paper No._Full English Name*" on online sessions.

4. On-Site Poster Paper Presentation:

- **Poster Size:** A2 (420mm × 594mm).
- Each on-site poster is allocated 1 hour for presentation. Please prepare your poster according to the specified format, print it out, and bring it to the conference for presentation. Oversized posters will not be accepted.
- **Important Note:** Any content involving political statements, territorial claims, national symbols, or other sensitive issues is strictly prohibited in all presentations.



5. Online Poster Submission:

- Presenters of poster papers are requested to submit a soft copy of the poster to the poster submission system. Submitted Posters will be viewed and displayed online.
